About

I am Sumyia Rahman. Living in Dhaka, Bangladesh. Professionally a Software Engineer but I like to teach children. As my career objective is to learn along with functions effectively in an organization and be able to deliver my best effort to developed organizational potentiality with my helping hands and also to constantly upgrade my knowledge and skill and make a difference in whatever I do.

Mission

Everyone has his/her own specific vocation or mission in life. My mission is to create and lead a dream team where everyone is playing to their strengths and merits. I will build my personal, business in frequent little ways. I want to help influence the future development of people and organizations.

Vision

My vision is to be an honest, empathetic and impactful project leader and to be recognized internationally within my industry. I am committed to growing as a leader and delivering value-added projects to the end users.
